Senior Parking Permit Guidelines

DRIVING A VEHICLE ON CAMPUS IS A PRIVILEGE THAT REQUIRES ADHERENCE TO THE RULES LISTED BELOW AND IN THE *STUDENT HANDBOOK*.

1. Parking is for **SENIORS ONLY**. Freshman, Sophomores and Juniors **DO NOT** have permission to park on campus or in the Field of Dreams parking lot.
2. The letter indicated on parking permits determines the trimester which students **MUST** park in the Field of Dreams parking lot. A=August 25-November 20 B=November 23-March 5 C=March 8-end of year
3. Parking is a privilege and falls under the pyramid of privileges at Barrington High School. All rules listed in the handbook apply.
4. Students need to remove any sticker previously on the window in lower right hand corner.
5. This parking form will be accepted for a two week period starting May 11th and ending May 22nd. The parking fee must accompany the application to be accepted. The application will be accepted on a first come, first serve basis.
6. Students must heed "no parking" areas. These are posted or marked and include fire lanes, the faculty areas and visitor parking. Students may not park their vehicle east of the yellow line in the main lot. Cars parked with or without a permit outside designated student spaces, or illegally, are subject to school consequences, ticketing and/or towing at the owner's expense.
7. Temporary passes will be available to senior students as determined by the dean's office. All temporary passes must be registered by the **end of 2nd period** with a cost of \$5 and students should park in between the tennis courts.
8. Parking permits and/or permit numbers may not be used by, sold, or transferred to another student/sibling/family member or his/her vehicle.
9. If you have a valid parking permit and are unable to drive your primary or secondary vehicles, you may not use another student's and/or family's vehicle as substitution. A temporary should be purchased in this situation.
10. Under Illinois School Code, students have no reasonable expectation of privacy in personal effects left on school property in parking lots. School authorities may search cars left in the parking lot without notice or consent of the student.
11. Parking is at the student's own risk. Barrington High School assumes no liability for damaged vehicles.
12. Students are not allowed in the parking lot during the school day without proper authorization from the Deans' Office. Students are not allowed to sit in or around vehicles parked in any lot at any time. **Barrington High School is a smoke-free campus.** Students may not smoke in or around vehicles on campus.
13. Senior students graduating early must submit in writing that they need a refund for parking and in addition return the parking permit to the Deans' Office.
14. Vehicles must be locked. Students may not loiter in vehicles or parking lots.
15. Students should not be parked in the designated Credit Union and Little Bronco Day Care parking. This includes after school hours until 5:00 pm (M-F).
16. Handicapped spaces are meant for individuals covered by the Americans with Disabilities Act. Requests to use such spaces by underclassmen with disabilities or seniors/visitors with temporary disabilities will be evaluated on an individual basis by the administration.
17. The speed limit on campus is 20 MPH. Excessive speed, reckless driving, running stop signs and/or squealing tires are prohibited and could result in immediate loss of parking privileges.
18. First semester final exams are part of trimester B. Second semester final exams are part of trimester C. You must have the appropriate parking permit to park in the main lot during final exams.
19. Off Campus Courses/Student Occupational Studies' (work program) parking privileges will be revoked if course/work is dropped.
20. If a student reaches a total of 10 absences (tardy, parental excused, and unexcused) in any one class, their driving privileges may be revoked for the remainder of the semester. There will be no refund of parking fees.
21. Students parked in the field of dreams lot must use the paved path to and from school. Students are not allowed to walk along Hart Road.
22. All Senior students applying for parking must be free and clear of lunchroom fees or any other financial obligations to the district.

MISCONDUCT MAY RESULT IN THE LOSS OF PARKING PRIVILEGES. EXAMPLES OF CONDUCT WHICH MAY RESULT IN LOSS OF PARKING PRIVILEGES INCLUDES, BUT IS NOT LIMITED TO, THE FOLLOWING:

1. Serious driving violations.
2. Possession or transportation of drugs, alcohol, stolen property, or other contraband.
3. Parking in an area other than student designated parking.
4. Sale or transfer of assigned parking sticker to another student.
5. Any student with parking privileges who allows another student without parking privileges to drive/park his/her vehicle on campus during a school day could lose his/her parking privileges.
